### Unit 1

This unit provides you with the cultural knowledge of three topics related to Spain:

This unit covers the other three topics about the whole Spanish speaking countries

- 4-Music
- 5-Media
- 6-Festivals and tradition

# From GCSE to A Level

Some of the topics you will study at A Level are similar to the ones in GCSE Spanish but they will be covered in much more depth and detail. You will enjoy learning the cultural knowledge of six topics in A1 so that you are ready to answer the questions in the speaking exam Paper 3 that will take place at the very end of A2. You will realise that the study of grammar is as well crucial at A Level to succeed at writing essays where you will analyse a Spanish film and a Mexican novel. It is an exciting subject as it is all about gaining your independence and becoming a mature student.
