Welcome

Welcome to the Above & Beyond Programme, which provides a wide range of exciting extra-curricular opportunities for all students across the school. The staff at Ruislip High School have worked together to produce a timetable of clubs and societies that aim to provide students with the opportunity to supplement their academic endeavours, as well as their physical fitness and stamina.

Please read through this booklet to find out the options for our enrichment clubs on offer this term. **We recommend that students in Key Stage 3 aim to attend at least two clubs per week and students in Key Stage 4 and 5 aim to attend at least one club per week.** If students wish to attend clubs that fall on the same day, they may alternate each week.

To sign up for any of the Above & Beyond clubs, please login to SOCS [here](#).

The deadline to register for clubs is **Friday 20th December 2024**. Late applications will be considered but please be aware some of our clubs are very popular and **admittance to clubs will be given on a first-come, first-served basis**. All clubs are capped at 25 students unless stated otherwise.

Should parents/guardians have any questions, please contact Mrs Cluskey or Mrs Horton at aandbclubs@ruisliphigh.org.uk.

We hope that students enjoy the spring term programme and take full advantage of the fantastic activities available.

Yours sincerely

Mrs Horton & Mrs Cluskey

THE ABOVE & BEYOND AWARD

The purpose of the award is to recognise the students who take up all opportunities in school to enrich their wider understanding of the world and have a passion for learning beyond the classroom.

A range of enriching experiences, opportunities and all of our Above & Beyond clubs have been included in one of the following four categories: community, physical, creativity and culture.

Each category has bronze, silver and gold criteria. When students meet the criteria under each category, they will earn a bronze, silver or gold award for the category.

The themes found under each category are shown in the table below:

Community	Physical	Creativity	Culture
Leadership	Sport	Global	Enterprise
Environment	Adventure	Creativity	Diversity
Commitment	Self-discipline	Problem-solving	Appreciation
Service	Health & Wellbeing	Oracy	Literacy

The full list of criteria for each category theme will be communicated with students and parents

Therefore, a student could hold a bronze award for physical or a silver award for creativity. If students meet the criteria at a particular level across all four categories, then they will qualify for an overall 'Above and Beyond Award' at that level.

The criteria has been developed to allow students to progress across the levels over their time at Ruislip High School.

If you feel your child qualifies for the A&B award during their time at RHS, please complete the relevant form, which can be found [here](#) and on our school's website on the [Above & Beyond section](#), alongside the full award criteria.

PE CLUBS

The Physical Education department offers a wide variety of clubs for students to participate in either mornings and/or after school. Students have the opportunity to participate in clubs for both enjoyment and to compete against other schools in fixtures and competitions. The clubs on offer change throughout the year to provide extra opportunities and are linked to times of competitions and fixtures so that students have the opportunity to practise for these. *The majority of the clubs listed below are free of charge. However, further information about any costs required for specific clubs below will be provided by the PE Department.*
