

18th September 2024

Dear Parents/Guardians

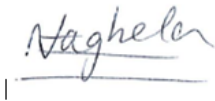

I would like to take this opportunity to introduce myself as the form tutor for your son/daughter's tutor group C61. In addition to being their form tutor I am also the Assistant Head of Year 12 at Ruislip High School.

I have been a form tutor for the past five years, a role which I enjoy. I've also been teaching at RHS for five years now, so I know a lot of the students already and am so excited to be their form tutor this coming year.

As the students adjust to sixth form life and responsibilities, I will be supporting students, with additional pastoral support always available, or sanctions, in order to maintain their progress and achievement. I am looking forward to working with the students throughout the coming year and supporting them in their growth and development as curious, creative and independent learners.

Please do not hesitate to contact me via the school office if you have any queries or wish to discuss any issues throughout the Key Stage 5 years. I look forward to working with you.

Yours sincerely

Ms Vaghela
Assistant Head of Year 12
Sixth Form Tutor (C61)
