

18th September 2024

Dear Parents/Guardians

I would like to take this opportunity to introduce myself as the form tutor for your son/daughter's tutor group C62. My name is Mr Collins and I am a science teacher and Head of KS5 Chemistry, in addition to being a Sixth Form Tutor.

I have been a science teacher and Sixth Form Tutor at Ruislip High School for the last twelve years. I am here to support you and your son/daughter. Please do not hesitate to contact me via the school office if you have any queries or wish to discuss any issues throughout the Key Stage 5 years. I look forward to working with you.

Yours sincerely

Mr J Collins
Science Teacher, Head of KS5 Chemistry and Sixth Form Tutor (C62)
