

18th September 2024

Dear Parents/Guardians

I would like to take this opportunity to introduce myself as the form tutor for your child's tutor group, C65.

I have been a member of the Sixth Form team for three years, a role I have greatly enjoyed as I am able to assist students in achieving their future goals.

In addition to being a form tutor, I am also a Sixth Form Learning Mentor. In this role, I support students with their independent study and revision skills. Furthermore, my role as Post-16 Careers Lead means that I am closely involved in providing guidance to students as they navigate their university and apprenticeship options.

I am very much looking forward to working with the tutor group throughout the coming year, supporting them both academically and pastorally as they navigate their final years of secondary education.

Please do not hesitate to contact me via the school office if you have any queries or wish to discuss any issues throughout the Key Stage 5 years. I look forward to working with you.

Yours sincerely

Ms T Bonny
Sixth Form Learning Mentor
Post-16 Careers Lead
