

SIXTH FORM FOCUS

Your insight into Ruislip High School Sixth Form life

MEET THE TEAM

Introducing the new Student Leadership Team, the biggest team to date!

Over the next few editions of the Sixth Form Focus, you will be able to get to know different members of the team and the roles they will be taking on for the next year.

Hannah Fenlon

I'm Hannah and I'm one of the Head Students at Ruislip High. My favourite thing about RHS Sixth Form is the strong support system we have, in which both staff and students help keep motivation up, maintain a positive atmosphere and offer help to others when they need it.

Abdul Syed

Hi, I'm Abdul and I'm one of the Head Students. My favourite thing about RHS Sixth Form is the intellectually stimulating subjects combined with the supportive and inspiring teaching received.

Make sure you read the next edition to meet some more of the Student Leadership Team!

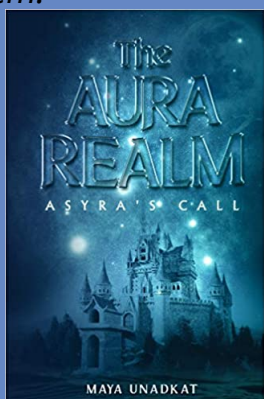

Amazing Alumni News

Former Ruislip High Sixth Former and ex-Head Student, Maya Undakat is now a published author!

'19 year old Ellora Artemer has no magic of her own. That's how she knows her enrolment into the Madori School of Aura is a horrible mistake. But when someone steals the sacred Madori Orb, threatening the entirety of the Madori Kingdom, Ellora knows that magic or not, she has to stop them.'

Becoming a Pro at Interviews

Whether you have been interviewed many times before or about to go to your first interview, it can be daunting! What questions will they ask? Will you say the right things? Can you think on your feet?

If you have applied for a university course that involves an interview or looking to get a job, knowing your stuff and feeling confident in an interview will help you succeed.

Top Tips

- Take time to prepare for the questions that could come up and how you would respond
- Practise with a family member or friend
- Research the course or company before you go
- Remember to sit up straight and make eye contact (but not too much eye contact!)
- Don't panic, you can only do your best!

The University of Sheffield have created this MOOC to help you conquer your interview nerves and enter feeling confident and prepared. Why not take a look? If you would like advice on how to prepare, speak to a member of the Sixth Form Team.
