MEET THE STUDENT LEADERSHIP TEAM DIVERSITY AND EQUALITY

Hi, I'm Winta, joint Head of Equality and Diversity as part of the student leadership team. Being a part of the team means I can encourage and support others and create awareness for what matters. The Student Leadership Team allows you to do so along with so much more.

Hi, I'm James and I am the joint Head of Equality and Diversity within the Student Leadership Team. I joined the Student Leadership Team as I wanted to make a difference in the school community.

WE ASKED WINTA AND JAMES TO TELL US MORE ABOUT WHAT THEIR ROLES AS JOINT HEAD OF DIVERSITY AND EQUALITY INVOLVES, HERE'S WHAT THEY HAD TO SAY.

What do you do as Head of Diversity and Equality?

- Empowering others and making everyone aware of topics and how others should be treated
- Creating posters of important events
- Helping others through student leadership in mentoring
- Taking part in charity and fundraising events
- Creating assemblies to project to all year groups across the school on important topics and matters

Why should students get involved with the Student Leadership Team?

- Looks good on your personal statement shows you can be encouraging and have confidence
- Allows you to develop confidence skills as it requires you to speak to large crowds with prepared speeches and PowerPoint slides
- Teaches you good communication skills and adapting
- Overall building your character
- Strengthens your time management skills as there are tasks and meetings you need to attend, so also teaches you to be flexible and know how to adjust your schedule when needed.

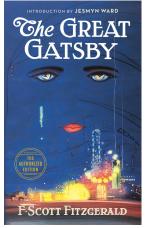

Make sure you read the next edition to meet some more of the Student Leadership Team!
