

5th September 2024

Dear Parents/Guardians

I hope you all have had a great summer break with the family. I would like to take this opportunity to introduce myself as the Head of Year 12.

We at Ruislip High School take pride in the success of our young students. As the Head of Year, I and my dedicated team will provide the relevant support needed for your child to obtain the best outcome for the year ahead.

I am a great believer that a good education gives more opportunities to our younger students in their adult lives. This will allow them to achieve their goals, dreams and aspirations. Also working as a team between the school, parents/carers and the young adults will allow your child to succeed.

As a Head of Year, I would like to emphasise that the following commitments are met by your child and would really appreciate the support from parents/carers to echo the same ethos as myself.

- Attendance above 95%
- Punctuality 100%
- Smart dress code
- Meeting all deadlines for homework and assignments

I look forward to working with you and your child to ensure their next education journey is a success.

If you have any questions, please do not hesitate to contact me via office@ruisliphigh.org.uk

Yours sincerely

Miss P Vora
Head of Year 12
