

Instructions for using Transition Resources:

1. Use the video links from the Video links document for each topic.
2. Complete the printed worksheet or worksheet from the worksheet folder with working out for each topic.
3. The answers are at the end of each worksheet. Please make sure you mark your work with a green pen.
4. The transition material is from the Edexcel exam board and it is very important to complete the worksheets before you start your Year 12 next year.
5. Please bring it in your first Maths lesson. Your Maths teacher will check it.

Good Luck!
