STUDENTS ENJOY MFL WEEK

*"It was great to
have an opportunity
to bring languages
to life!"*

From Monday 7th March to Friday 11th March 2022, Ruislip High School's MFL department ran an exciting week of activities for students to celebrate the importance of different cultures and the role that languages play in shaping societies.

One of the week's highlights was the Year 9 languages breakfast, hosted by the Year 10 Language Ambassadors. There were plenty of tasty treats available to students from croissants to churros. The event was incredibly well attended and students had a wonderful time starting their school day together.

Emilia, one of the Year 10 Language Ambassadors, told us: "Languages Week was a great chance to experience different cultures. It was great to mix with students from all years and share why languages are so important."

JUMPERS FOR JIMMY

"The Mizen's talk was both emotional and inspirational. They shared a very important message with us all."

Paris, Year 8

On Friday 25th March 2022, the school welcomed Barry and Margaret Mizen to Ruislip High School. In 2008 Mr and Mrs Mizen lost their son in an unprovoked attack and since that time they have worked tirelessly to spread the message of forgiveness, peace and hope across the country.

All Key Stage Three students had the opportunity to listen to Mr and Mrs Mizen discuss their experiences and The Mizen Foundation. The Mizens have visited our school twice before, however this year's visit was particularly poignant, as 2022 marks Jimmy's 30th birthday.

To show our support as a school, all Key Stage Three students took part in 'Jumpers for Jimmy' to help raise money for The Mizen Foundation and help the charity's mission to educate young people about the consequences of actions and the importance of forgiveness and personal responsibility. Thank you very much to Mr and Mrs Mizen for visiting and speaking to students. It was an incredibly valuable experience for all.

School Production: Return to the Fairytale Forest

Next week there is a chance to enjoy the delayed Christmas Production, 'Return to the Fairytale Forest', in E201 (the new theatre).
