

6th June 2024

Dear Parents / Guardians

**RE: RAG Week W/b 24th June**

We are very excited to announce the return of the Sixth Form-led RAG (Raising and Giving) Week for 2024, running from Monday 24th June to Thursday 27th June, with a variety of charity events taking place for Years 7-10 and 12.

This year, the school is raising money for two charities: YoungMinds and Teenage Cancer Trust. YoungMinds is a charity centred around providing mental health support to children and their families. Teenage Cancer Trust offers unique care and support to young people and their families affected by cancer.

To help us with our goal of raising even more money than last year for these worthy charities, we are offering you the opportunity to donate £3 via ParentPay to allow your child to take part in as many events for their year group as they choose. This payment will be open until Friday 21st June. All of this money will be split equally between the two charities. Please click [here](#) to see the schedule for the week.

Thank you very much for your continued support of the school's charitable efforts. We look forward to what will be a very enjoyable week for all.

Yours sincerely
