Dear Parent/Guardians

As we begin the new academic year, I would like to take this opportunity to introduce myself as a Sixth Form Learning Mentor. My role is to support students throughout their studies, personal development, and future plans, helping them stay on track and make the most of their time here.

We'll be focusing on ensuring good attendance and punctuality, as being present and on time is key to success. Sixth Form also requires a lot of independent study, and I'll be here to guide them in managing their workload effectively. If your child faces any challenges, I'm always available to listen and provide support. I also encourage them to reach out whenever they need help.

If you have any concerns or would like to discuss your child's progress, please don't hesitate to contact me via the school office. I look forward to the year ahead!

Yours faithfully

Ms A Forde
