

25th June 2024

Dear Parents/Guardians

**Re: Careers Day**

We are pleased to inform you that Ruislip High School will be hosting a Careers Day on Monday the 1st July. This event is designed to provide our students with valuable insights into various professions and career paths, helping them to make informed decisions about their future.

During Careers Day, students will have the opportunity to hear from a range of professionals across different industries. They will learn about the skills and education required for various careers, the challenges and rewards of different professions, and the diverse opportunities available in the workforce. They will also get hands-on experience of working in a medical career with Medical Mavericks.

We believe that this event will be highly beneficial for our students as they begin to think about their own career aspirations. We encourage you to discuss the event with your child and explore any questions or interests they may have.

Students will need to bring in their writing equipment, whiteboards and whiteboard pens.

Should parents/guardians have any questions about tuition, please contact me via [office@ruisliphigh.org.uk](mailto:office@ruisliphigh.org.uk).

Yours sincerely

Mr. J. Shelley  
Assistant Headteacher
